

# Investing for Success

**Under this agreement for 2017  
Muddapilly State School will receive**

**\$12,185\***

## This funding will be used to

- Increase the number of students at or above year level standard on norm-referenced diagnostic tests in comprehension and mathematics to 100%
- Every student accessing a different year level curriculum (that is, with an individual curriculum plan) will achieve a 'C' standard or better against the relevant year-level achievement standard

## Our initiatives include

- Build teacher capability in gathering and using evidence to determine the different year-level curriculum some students require and to develop and successfully implement challenging but achievable individual curriculum plans
- Develop teachers' capability to embed goal setting and feedback in the teaching and learning cycle
- Provide professional development and coaching to deepen teachers' understandings of the Australian Curriculum content descriptors and achievement standards
- Provide better preparation and support for teacher aides to extend student learning in literacy and numeracy

## Our school will improve student outcomes by

- Develop, resource and implement a professional development and coaching program to support teachers in:
  - data gathering, collation, analysis and use;
  - using OneSchool to create, refine and review individual curriculum plans
  - understanding the content descriptors and achievement standards of the Australian Curriculum by embedding the culture, climate, processes and protocols of classroom observation and feedback to encourage reflective practice -\$10,000
- Develop, resource and implement a professional development and coaching program to support teacher aides in extending student learning -\$2,185
